† The 2008-09 HS contest dates (& alternate dates) are Oct 21 (14), Nov 18 (11), Dec 16 (9), Jan 13 (6), Feb 24 (17), Mar 24 (17).*

* The preferred alternate testing date for each High School Math League Contest is the *preceding* Tuesday.

In the event of vacations, testing days, or similar schedule disruptions, schools may ask to conduct the contest on any proximate day. Contests for Algebra Course 1 and grades 4, 5, 6, 7, and 8 are 30-minute multiple-choice contests which permit calculator use.

Your school will receive certificates of merit (enclosed with the contests) for high scoring students on every grade level. For grades 6, 7, 8, and HS contests, we award a plaque to the highest scoring school on each level in each region. For Algebra Course 1 and grades 4 and 5, we give you a book of *Math Contests*, published by Math League Press, for award to your highest scoring student on each level.

A separate sheet of **DETAILED** solutions accompanies every contest we sponsor. In addition, after each of the contests for grades 6, 7, 8, and HS, you'll receive a newsletter containing comments and alternate solutions submitted by schools. Each newsletter contains contest statistics.

On an enclosed sheet we describe our fifteen books of past contests and our CD-ROM software. Use the registration form below to order any of these books and/or to register for any of the contests.
